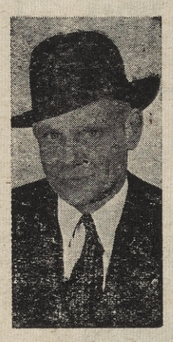
Loehr Announces He Will Run For Reelection June 5

Incumbent Supervisor Will Seek Fourth Term In Primary Voting

H. G. Loehr, incumbent Nevada County supervisor from the fifth district, has announced he will seek reelection to the position he has held for the past 11 years at the primary election Tuesday, June 5th.

Loehr was first elected to the post in 1946 and has continued in office since that time, serving for three years as board chairman from 1950 to 1953.



H. G. Loehr

In filing for another term, Loehr pointed out that many important projects now under consideration, and all of which have had his support, are now pending and he is anxious to see them through to a definite conclusion.

Among these projects is an airport to serve this area, a zoning program to protect local taxpayers against a possible influx of get-rich-quick promoters who may take advantage of the forthcoming Olympic games, highway programs affecting the entire eastern portion of the county, a county health program, street improvement and other pending matters of vital importance.

During his incumbency, Loehr has completed a number of other local projects and was working toward a general street and road improvement plan until the Burns-Collier Act took this power out of his hands and placed it under the control of a road commissioner. Even under the new setup, the local supervisor is continuing all efforts to have this work completed and has secured approval of many improvements scheduled for this year and next.

Among the other improvements which can be credited to Loehr was the construction of a new hospital. He was a member of the original committee and since has constantly worked toward its building and improvement. Few if any, local advancements have been made without the supervisor's endorcement and support. He has earned the endorcement of local civic groups for his able assistance in their programs, the most recent being the introduction of a resolution demanding that the fish and game commission reopen a portion of the Truckee river closed for the exclusive use of artificial lure fishermen.

"It shall be my intention to continue to work as hard as I can for the betterment of the eastern section of Nevada County," Loehr declared. "I believe my record in the past will stand closest scrutiny and I sincerely promise that the welfare of my district shall receive my best and most honest efforts in the future."

MRS. FRATES NAMED TO HEAD LOCAL PTA

Mrs. Edward Frates will be installed on April 9th as president of the Parent and Teacher Association of the Truckee Elementary School with the other officers elected at the meeting held on Monday evening. Mrs. W. L. Glenn will be first vice president for the coming year, Lynn Kishbaugh, second vice president; Mrs. Carroll Maynard, secretary; Mrs. R. L. King, treasurer; Mrs. Dan Horman, parlimentarian.

Mrs. Ray Hintz presided at the March 12 meeting when Everett O'Rourke and Miss Betty Raker explained a proposed summer recreation program for the young people of the school district. Mrs. Joe Straub, Mrs. Eve Hallett and Mrs. O. J. Larrivee compose a committee to help co-ordinate the program.

Walter Barrett was the guest speaker, talking on the effect of the 1960 Olympiad on the residents of this district.

Refreshments were served by Mrs. Carroll Maynard, Mrs. O. H. Larrivee, Mrs. Charles Vind, Mrs. G. E. Lewis, Mrs. John Finnigan. Mrs. George Kaspian is hospitality chairman.

Lewis Fellows King Of Sierra College Affair

AUBURN— Sierra College students held their annual ski slide dance with Pat Dougherty as chairman, assisted by Rhoda Bowman, Donna John and Kay Lewis.

Lewis Fellows, a freshman who has been the outstanding scorer on the ski team this season, was crowned king of the festival, held last Saturday in the school gymnasium which was decorated in the theme, Snowbound.

Annual Red Cross Drive Gets Under Way In This Area

The annual American Red Cross fund drive will be started in this area immediately and will continue throughout the balance of the month, Earl K. Stice, local committee chairman, announced.

In making the announcement, Stice said it is sincerely hoped that the showing will be good so that the branch here can continue its worthwhile work.

"With a few exceptions," Stice said, "most people realize the American Red Cross is one of the most worthy services to humanity, weather in large or small communities, to help victims of disaster, war and misfortune. Red Cross is really a friend in need.

"For seventy-five years the American Red Cross have been serving humanity. Last year in disaster services alone, 66,000 volunteers served. Water safety instructors: 50,900 served and issued 1,065,000 water safety certificates. First aid certificates issued last year: 680,000. Financial aid to Service Men and families over $12,000,000.

The local Truckee branch for several years, has used all proceeds collected to carry on the many local requirements, and it is felt this service must be continued. It is hoped local people will continue to refer all cases to us, rather than allowing individual solicitation of emergency cases," Stice declared.

"We wish to extend sincere appreciation to Beverly Wilson for her five years service as home service secretary, since other duties require her time, however, we we are sure she will offer assistance to our new home service secretary, Mrs. Donald Schuler.

"Your generous contributions and membership in the local American Red Cross Fund Drive will be appreciated again this year as in the past years".

Traffic Gain Here Is Noted In Report

Although automobile traffic into California through Truckee showed a gain of 2,007 cars during February as compared to January, there was a drop of more than 2,000 as compared to February, 1955.

The monthly report from the department of agriculture showed that during the last month 15,942 cars, 2,767 trucks and 514 buses were checked at the Truckee quarantine station. The passenger count was 61,004. In February of 1955, 18,465 cars were checked here.

The drop was reflected throughout the state and as a result Truckee still maintained sixth place among the 16 stations.

At Meyers on Highway 50, 3,818 cars were checked during February, compared to 2,458 the previous month and 3,219 during February last year. There were 232 trucks and 17 busses also checked at the Tahoe station and the passenger count was 10,104. Meyers was in 11th place among the 16 stations.

The count does not include east bound vehicles nor local cars.

Pot Luck Dinner Will Be Feature Of OES Session

The second meeting of the Eastern Star for the month will be on March 20th. This meeting will be preceded by a pot-luck dinner at 6:30 P.M. All members and their families are invited and urged to attend. The chairman for the evening is Louise Anderson.

Evelyn and Bud Mandeville, worthy matron and worthy patron will preside at the business meeting. This night will be in celebration of the Chapter's 64th birthdate.

Mrs. Margaret Johnston Rites Held At Yerington

Funeral services were held Saturday at Yerington, Nevada, Saturday under the direction of the Truckee Colonial Mortuary for Mrs. Margaret Johnson, 80, a former resident of Farad, who expired March 7th at a Nevada City hospital. She had been in failing health for some time.

Among the survivors is a daughter, Mrs. Thelma Hansen of Farad.

Sportsmen Asked To Approve Doe Hunt In District

Officials Expected Here At Meeting March 22 To Plan Planting

Don Beauchamp, game management employee of the state department of fish and game, spoke before a meeting of the Truckee Outdoor Sportsmen here Friday evening and proposed an anterless deer hunt for the district.

The speaker suggested that instead of closing the season on Saturday, as has been the practice in the past, that it be continued an additional four days to a Wednesday. During these last four days, the speaker proposed, hunters who had not previously used their tag on a buck would be privileged to shoot either a doe or buck.

The sportsmen also discussed again the action of the fish and game commission in closing seven miles of the Truckee river to bait fishermen and it was indicated that the matter would not be permitted to drop as conclusive.

Hear Resolution

A resolution adopted by the Nevada County Board of Supervisors, criticizing the commission's action and demanding that it be rescended, was read with approval. Charles Osburn presided at the session.

Another meeting, to be attended by the commssion officials, who are expected to answer the heated protests of local sportsmen against the closure order, will be held Thursday, March 22nd at Capitol Hall.

At that meeting the planting program for this area will be discussed and other matters of importance to the sportsmen will be brought up, Osburn declared in urging everyone interested to be on hand.

Among others expected to be present is William Harp, assistant to the commission, and Robert Montgomery, district manager.

Bank Of America Will Participate In Operation Home Improvement Plan

Bank of America is participating in Operation Home Improvement, a special 1956 project sponsored by the United States Chamber of Commerce, Lee H. Apple, manager of the Truckee branch, announced today.

"Manufacturers of building materials, suppliers, national consumer and housing magazines, the government housing agencies and banks are all joining forces in a year-long campaign to encourage home owners to repair and remodel," Apple said.

"The hope is to increase the home improvement market to $15 billion this year. The motto is '56—the year to fix'."

The branch manager said low-cost loans up to $3,500 are available, with repayment terms as long as three years. All types of improvements which become part of a home are eligible, including built-in appliances, air conditioning, remodeled kitchens and major items such as adding a garage or room.

CITIZENS MEET AT TAHOE MARCH 22

TAHOE CITY— There will be a meeting of citizens of the area at 7:30 p.m. on March 22nd in the Community Center Hall at Tahoe City when Supervisor L. L. Anderson will be present. The public is cordially invited to attend the open forum of questions and answers on the newly proposed Placer County tax.

Applications Received For State Flood Relief

SACRAMENTO (CNS)- The state office of civil defense announced that California counties and cities damaged by December floods have submitted applications for aid amounting to $6,500,000.

Stanley Pierson, state civil defense director, said the amount was $1.5 million more than the federal government's emergency grant.

The governor has requested an additional $2,500,000 to meet deficit costs of repairing flood-damaged roads, bridges and local government property, Pierson said.

SUNBEAMS

By WALTER M. BARRETT

Tomorrow the senate finance committee will meet to decide whether or not to recommend an expenditure of $4,000,000 to further finance the 1960 Winter Olympic games in California. On the decision rests a considerable amount of interest, particularly in our immediate area. If the decision is favorable, this district is faced with what must be one of the most concentrated efforts possible to provide the requirements, on a local basis, for playing host to thousands of visitors. This provision cannot be made by individual effort, regardless of intention, but will require the undivided and unanimous support of every organization and every individual. The best way, and one which should have been taken years ago, is incorporation so that a definite program can be worked out, costs and benefits being shared on an equalized basis, and a basis for achievement established.

You have only until April 12 to register for the primary election in June. If you are not now registered, have changed your place of residence or wish to change party affiliation, now is the time to do it.

NEW LIFTS PLANNED THIS YEAR AT BOWL

NORDEN— Walter Haug, manager of Sugar Bowl, this week announced that the directors have decided to build a Heron double chair lift which will start next to the Mt. Disney lift and go to the top of Mt. Lincoln.

This will open one of the most spectacular mountains in the skiing region. A round house will be built at the top of the lift and the top terminal will be housed. Construction will begin as soon as snow conditions permit.

Plans for a Pomo type lift to the Crows Nest are also underway. This will serve beginners and intermediates and will guarantee skiing at all times regardless of weather.

CHAMBER DIRECTORS WILL MEET TONIGHT

Directors of the Truckee Chamber of Commerce will meet tonight at 7 o'clock at Smart's for an important session. Hal Welch will preside and every director or member interested is invited.

Two Car Wrecks Are Reported During Week

In a three car collision along Donner Lake Monday afternoon, all occupants escaped injury but one driver, Anson Covher, Kings Beach was cited by Patrolman Martin Sturcke for traveling too close to the car ahead. The other cars were driven by Pat Hinebaugh of the Tahoe Forest Hospital and Kenneth Grayson of Folsom.

Cars driven by Joe Smith, Reno and Clarence Hicks, Jr., Livermore, collided two and a half miles east of Hirschdale. No one was injured. Smith was cited for speeding and being on the wrong side of the highway. Patrolman T. F. Sheehan investigated.

TWO CHILDREN HURT IN TOBOGGAN MISHAP

The two young children of Mr. and Mrs. Robert. E. Wright of Sacramento were injured, one of them critically, in a toboggan accident near Cisco Sunday.

Virginia, 5, was critically injured about her head and her brother, Jon, 7 suffered lesser head hurts when the toboggan crashed after the parents had been thrown off the fast moving apparatus, allowing it to speed down the hill uncontrolled.

The Truckee ambulance brought the injured to the Tahoe Forest Hospital where after treatment they were removed to Sacramento for hospitalization near their home.

Sanitary Board To Contract For New Garbage Collector

Charles Osburn Named As New Member During Meet Here

At a special meeting of the Truckee Sanitary Board held in the Justice Court office Tuesday night, the resignation of Paul Rausch & Son as contract garbage collector for the district was accepted, effective March 31.

No successor has been selected although it is understoood at least three bidders still submit offers for the job when bids are opened by the board. Bids for the new contract and full particulars will be published in the Sierra Sun in the near future or as soon as the necessary legal documents have been prepared by Paul Chamberlain, attorney for the district.

Rausch has indicated he will continue serving customers outside the district but will devote much of his time to other work.

While details of the proposed new contract for garbage collections are still being worked out, the board said definitely there would be no increase in current rates.

Charles V. Osburn was named by the board members to succeed Reginald Smart, who recently resigned. Other members are Robert Seibold, Joe Mattos, William Curran and James McIver.

Additional Officer For Truckee Squad

The Truckee complement of California Highway Patrolmen will be increased to six officers and one sergeant this month when Patrolman E. R. Miexner of Fresno joins the local squad on March 30th.

Miexner, his wife and their three children were here this week seeking a suitable home prior to moving to Truckee later this month. The new patrolman has been with the department three years and comes here with high recommendations from the Fresno squad.

The Truckee substation squad now comprises Sergeant Edward Freeman, Patrolmen William Gautsche, T. F. Sheehan, Roy Stallard, Carroll Maynard, Martin Sturcke and Meixner.

Sergeant Freeman said he hopes to provide increased patrol service at North Tahoe as well as on local highways as a result of the one-man increase.

Mrs. Neugebauer Feted At Party Last Monday

Mrs. Jack Neugebauer was complimented at a party given Monday evening by Mrs. Harry Digesti and Mrs. Lawrence Nelson, in the home of the latter.

A buffet supper was followed by games and the opening of gifts by the honoree. Storks and other appointments of the chosen motif decorated the table.

Friends invited includde Mesdames F. Franceschini, Arthur Kehm, T. F. Sheehan, William and Conrad Briner, Daven Morey, Art Mori, Nace Firpo, Russell York, Hal Welch, Chet Burns, Kenneth Hedlund, Jack Ellis, G. E. Lewis, Gilbert Kumle, Heslin Cardinal, William Waters, George Zorich and Miss Patricia Andres.

Flagpole Champ Visits Here To Issue Checks

Bill Howard, who lived atop a flagpole at Sparks, Nevada, for more than six months as an advertising stunt for Dick Graves' Nugget, visited in Truckee this week—long beard and all. Howard was accompanied by Dick Otte of Sparks and the two passed out $1 checks, payable at the Nugget only, to all they met.

Dr. Kase Back

Dr. and Mrs. Sidney Kase with their children have returned to their home here from San Francisco where he recently received his discharge from the U.S. Navy. Dr. Kase plans to practice here until next month when he leaves to attend post-graduate schools in Denver and Chicago.

Tahoe Level Held Safe Despite High Water Expectation

RENO— The Truckee River Water Users Committee predicted the level of Lake Tahoe will not exceed its legal maximum during spring runoffs, barring unusual weather conditions.

This contradicted the forecast made last week by the United States Weather Bureau. It predicted heavy spring runoffs would cause the lake's level to exceed the legal maximum for the first time since the limit was established in 1935. Should this occur, damage to lakeside property would be likely.

The water users group, basing its forecast upon the March 1st snow survey measurements, declared the lake's level would not rise to the legal limit of 6,229.1 feet. The lake's present level is 6,227.13 feet above sea level, the committee said, or three inches lower than at this time in 1952 when there was a heavier snow pack on the Lake Tahoe watershed.

The water level did not reach the legal maximum that year.

The committee reported all 17 gates at the lake's outlet into the Truckee River at Tahoe City have been open since February 17th, spilling 1,500 second feet of water into the river.

Heavy spring rains, the committee said, or unseasonably warm temperatures, if prolonged, could cause the lake level to rise above the legal maximum.

ST. LOUIS FIVE WINS BASKETBALL HONOR

The St. Louis team won both league and tournament awards in the Truckee Athletic Club's basketball games, it was revealed last week when the final contests were played at the high school gym.

The American Legion team was second, the 20-30 third and the Telephone Company fourth.

Dale Freeland won both the high point and free throw awards in the league games.

Larry Williams was awarded the most valuable player award.

The following were selected on the all-Tourney basketball team: Dale Freeland, Ken Gorden, Al Wakefield, Joe Copeland, Jack Lambres, Bob Tonini, Larry Williams and Bob Heryford.

ST. PATRICK PARTY SET FOR SATURDAY

An old-fashioned St. Patrick's Day party with all the trimmings is planned by Bea and Dan Redmond in the former Sarge's on Saturday evening, March 17th. Everyone is being extended an invitation and a good time is assured. A smorgasbord will be served at 11 p.m. to climax the festivities.

Many New Books Are Listed At Library Here

Among the new adult books at the Community Library are several that appeared on the March list of Library Favorites" of national reading interest.

They are as follows: Costain, THE TONTINE; Dennis, AUNTIE MAME; Hawley, CASH McCALL; Kantor, ANDERSONVILLE; Lord, A NIGHT TO REMEMBER; Waugh, ISLAND IN THE SUN; Wilson, MAN IN THE GREY FLANNEL SUIT; Wouk, MARJORIE MORNINGSTAR.

Books of local and regional interest are: Holdredge, WOMAN IN BLACK; Lewis, HIGH SIERRA COUNTRY; Margo, TAMING THE FORTY-NINERS; Price, SACRAMENTO STORY; Stookey, FATAL DECISION; Storer, CALIFORNIA GRIZZLY; and Valentine, VIGILANTE JUSTICE.

Birth Day Time—

Sheila, daughter of Mr. and Mrs. O. J. Larrivee was the center of attention on her birth date which occured on March 7. Gifts and a decorated cake made the occasion a happy one.

A Happy Day—

A Donner Theater party preceded a family dinner on Sunday, highlighting the birthday anniversary of Marcia, daughter of Mr. and Mrs. Robert Leamon. Opening of presents and cutting a chocolate cake concluded the event.

Senate Group To Pass On Olympic Financing Friday

Supporters Will Testify At Meeting In Capitol Tomorrow

The next hurdle to be topped by the supporters of the 1960 Winter Olympic Games looms in Sacramento Friday morning at 10 o'clock when the senate finance committee will pass judgement on Governor Goodwin J. Knight's request for a $4,000,000 appropriation to finance the program.

The request passed the 27-man assembly ways and means committee ten days ago with a unanimous voice vote after being delayed for a week while members gave careful study to the project.

Three rather rigid clauses were demanded by the assembly committee, providing that all proceeds from the games go to the state division of beaches and parks; that no public money be spent on private land and that following the games the facilities be turned over to beaches and parks.

Members of the senate committee include J. Howard Williams, Tulare; Charles Brown, Shoshone: Ben Hulse, El Centro; F. Presley Abshire, Santa Rosa; Arthur H. Breed, Jr., Oakland; Hugh M. Burns, Fresno; Randolph Collier, Yreka; Nelson F. Dilsworth, Hemet; Hugh P. Donnelly, Turlock; James J. McBride, Ventura; Harry L. Parkman, Woodside.

Senator Harold T. Johnson of Roseville, one of the sponsors of the games will present the case for the supporters, with P. K. Macker, executive secretary of the California Olympic Commission and Prentice Hale, president of the Organizing Committee testifying in behalf of the project. Other witnesses may be called during the hearing.

EASTER EGG HUNT PLANNED BY 20-30

James Morhain, president, said this week that 20-30 Club members will spnsor the annual Easter egg hunt to begin at 1 p.m. on Sunday, April 1. All children of 11 years of age and younger are welcome to meet at the Truckee Elementary School where the club members will take them to the place where the eggs will be hidden.

It was also announced that a pageant and contest to choose Miss California for Miss Universe will be sponsored by 20-30 Internatinoal and held in Hollywood, June 30 of this year.

BOXERS SET TO HOLD BOUTS ON FRIDAY

The Tahoe Truckee High School will present its third annual boxing and wrestling tournament Friday night, at 8 o'clock in the high school gymnasium.

The wrestling team, under the direction of Don Trask, will present five wrestling bouts. Boxing coach, George Boyle, promises nine bouts featuring former boxers, Jess Martin, Jim Allen, Tony Martin, Mayton Record, and neophyte boxers, John Hutchins, Joe Montano, Louis Ellis, Dennis Eyllis, Kenny Wilson, Bill Conners, Martin Kumle, Frank Cadjew, Bob Sanford, Doug Ball, Randy Pomin, Ron Borden, and Jimmy Heuga.

Wrestlers under the direction of coach Trask will be. Bill Saunders, Richard Brown, Jim Hutchins, Sam Medford, Randy Schultz, Phil Mandeville, Walter Mandeville, Ken Osburn, Dean Herzog Jay Mandeville and Bob Trask.

Five Girls Will Join Sunshine Group April 4

A class of five girls will be initiated April 4th into Donner Council No. 13 Pythian Sunshine Girls. Preparations for the event were made at the March 4th meeting when Nona Rae Coffey, royal princess presided.

A towel shower for the Pythian Youth Camp will feature the March 21st session.

Mrs. Pearl Heller who has been royal advisor for the group since the institution of the council, was honored by the girls with a gift presented with an appropriate verse.

Miss Frances Davis Will Wed Robert Hugh Belli

The betrothal of Miss Frances Davis to Robert Hugh Bell was announced at an attractively appointed dinner, given last week in San Francisco by Mrs. Frank Quilici, mother of the bride elect.

Miss Davis is a student nurse in the French Hospital and the couple plan to be married following her graduation next fall. She has a number of friends here where she has visited during vacations.

Bell is a graduate of Sacred Heart high school and has attended City College in the bay city and is now employed by a publishing company there. He is the son of Mr. and Mrs. Hugh Bell of San Francisco.

He pointed out to the legislature, assembled here this morning to consider the document, that this is an increase of $129,949,012, or 8.1 per cent of the estimated expenditures for the current fiscal year.

The governor said "this is a budget reflecting a sound condition of state finances and a prosperous economy. It presents a forward-looking program of state services for a growing state, but it calls for a careful husbanding of expenditures.

"It is a budget, I am happy to report, which will be financed within the existing revenue structure without new or increased taxes."

Thus the governor carried out the predictions made during the past several months that the budget would would be a record-breaker (they have all been record breakers during the past several years), and that sufficient income is available through the state's system of taxes to provide funds, with use of some reserve funds, to carry out the operations, capital outlay, and subsidy program for local government.

The administration settled on $10,400,000 to be set aside for rehabilitation of flood damage. This sum, if voted by the legislature, will be used to loan to city and county governments for the repair of public works only. It is not to be confused with aid to private sufferers, whcih is prevented by the state constitution. Neither does it include funds for highway, road or street repair.

Drivers Are Urged To Conform With Road Conditions By C. H. P.

SACRAMENTO— "It's every drivers responsibility to adjust his driving to the 'conditions that exist." This warning to motorists was made by Deputy Commissioner Ross R. McDonald, of the California Highway Patrol.

"The practice of many motorists who drive in the same manner during inclement weather as when weather is clear and dry, is reflecting a definite increase in death and injury accidents. Last year 32,000 accidents occurred during adverse weather conditions, and investigations revealed that the greater percentage of these accidents could have been prevented had the drivers made the necessary adjustments of their driving habits for winter driving," continued McDonald.

Reduced visability and slippery roads necessitate reduced speed, while rain, frost, and snow require adequate wipers and defrosters functioning properly. Motorists have to see danger before they can avoid it.

The exercise of due caution, and the acceptance of your personal responsibility for avoiding traffic accidents will help counter-balance winter's hazards.

From the proposed expenditures, 39 cents out of every dollar will go to education in one form or another. This includes subsidies to local school districts, state colleges, the University of California and operation and maintenance of the state department of education. This is the largest single outlay of funds made by the state.

Next largest is the highway construction program, and vehicle regulation, which takes 24.1 cents out of each proposed expenditure dollar. Social welfare and health gets 11.1 cents; mental hygiene, 8.7 cents; conservation of natural resources, 8.7 cents; fiscal affairs, 1.9 cents and all other expenditures, 9.4 cents.

Although the state sales tax originally was designed to provide for the educational subsidy, it is not enough to cover the proposed expenditure. Out of every revenue dollar, 35.9 cents comes from the sales tax. Motor vehicles and fees return 32.2 of every dollar the state taxes; the bank and corporation franchise tax, 9.4 cents; personal income tax, 7.8 cents; liquor taxes, 2.9 cents; insurance, 2.5 cents; inheritance and gift, 2.3 cents; horse racing fees, 1.6 cents and all others, 5.4 cents.

Usually, when the public does not face the prospect of new or increased taxes, there is little concern over where the money goes. No doubt the administration is banking on this to pass the record-breaking budget through the legislature, with as little trouble as possible.

And from the manner in which things have lined up prior to the session, it does not appear that there will be any great difficulty in getting the document through the legislature, as California has voted itself into a situation from which it cannot gracefully with draw if there is a desire to cut expenses.

$200,000 Suit Filed As Result Of Accident

NEVADA CITY— A $200,000 damages lawsuit has been filed in the superior court on behalf of Kenneth and Jack Emerson, whose father, Ralph Waldo Emerson, was killed in a traffic accident last September 17th on State Highway 89 north of Truckee.

Charlotte Emerson, guardian of the minors, charges the McDermott Trucking Company was negligent in the operation of a vehicle which collided with a car driven by Emerson.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Nice Weather

Tahoe has enjoyed beautiful weather since a week ago Tuesday when the last weekend storm cleared, leaving 13 inches of new snow on a level which already measured about 46 inches. On Saturday of last week the snow level stood at 60 inches.

While giving our office a general spring going-over last week, we discovered among old newspapers copies one of our weekly columns dated March 17, 1932, just 24 years ago. In this column we had given weather statistics for that winter season from September 1st to the middle of March, as summed up for us at that time by weather observer W. A. Simmonds. As the season of 1931-32 was the heaviest winter experienced here for at least ten years previously, we think that a comparison of the conditions here at that time with the winter season just past, between the same dates, may be of interest to residents of this region, especially those who can remember back to that time which is now beginning to be called "The Old Days."

Weather 24 Years Ago

Quoting from the time-yellowed Tahoe News column of that past date: "Although from four to five feet of snow still blankets the Tahoe region, spring seems near at last. Citizens are busy everywhere digging out buried cars and hauling snow and ice from front yards and driveways. After a full month of spring-like weather, interrupted only by a few cloudy days and threats of rain, this region is now facing a very unusual situation,- a dry spring. The usually wet February and March are now three-fourths past with no precipitation to mention. According to W. A. Simmonds, local weather observer here, precipitation for this winter, beginning September 1st was far ahead of any season during the past ten years. Observations taken by Simmonds are as follows:— Total snowfall for the season— 298 inches, with rain and snow water content measuring 29.21 inches, Average depth of snow on the ground at this time is 54 inches. With the lake level now at 6222.73 feet above the sea, inflowing streams are now barely holding their own against evaporation, according to Simmonds. A month ago the lake's level was eight-hundreths of a foot higher, but cold weather and strong winds in late February caused a lowering. Mr. Simmonds says that, although the lake is now only a fraction over three inches below its rim at the source of the Truckee River, with a surface of 120,000 acres to cover, it will take considerable time for melting snow to fill this discrepancy. He expressed his opinion that snow now on the high water-sheds will raise the lake a little over eighteen inches during the coming summer. Simmonds suggested that with electric power generation in both California and Nevada depending on the Truckee river flow, and with large portions of western Nevada depending on the same source for irrigation of their farms, the eyes of both states are now focused on the river's source, Lake Tahoe. All are hopeful that, where deep snow now lies between the lake and the dam, deep water will stand this summer, ready to be released through the huge gates as it is needed."

More This Year

Returning for comparison to the winter just past, Weather Observer Art Frodenberg's records show the snowfall from September 1st to the middle of March as a total of 223 inches. Because of unusual heavy rainfall through November and December this winter the precipitation almost doubled that of 1932. This season's water content measured 44.87 inches. with all the gates remaining open through the greater part of February and up to this date in March, the level of the lake now stands at. 6227.09 feet above sea level which is nearly five feet hgher than the level of 1932. February and March of 1956 seem to compare quite well with 1932 as to the number of spring-like days, and the snow is fast settling to the level recorded for that season. During the past week we noticed the first small flock of robins decorating the bare boughs of the lone young aspen tree in our back yard, and we thought hopefully of the time-worn provreb, "Spring's just around the corner."

Daughter Born

There is at least one important new item for Tahoe City this week, and she is the new baby daughter born a week ago Saturday in a Reno hospital to Mr. and Mrs. Bob Stark. She makes the fourth granddaughter in that family for Mr. and Mrs. Roy Stark of Dollar Hill. The little girl weighed in at 6 lbs. 10½ ounces, and her name is Catherine Jean. On Wednesday last week mother and baby returned to their home here and both are progressing healthfully. The proud father is the fourth son of his parents, and his mother says that at his birth twenty-some years ago a radio program announced that the Roy Starks were displaying a lucky "hand of four jacks." Now Bob has topped that score slightly, and holds a "hand of four queens."

Letters To Editor

Dear Editor:

I wish to utilize this means to publicly thank Congressman Clair Engle, who represents this district in Washington.

Due to the inevitable confusion in an organization as big as the navy, my orders for release from active duty were delayed. I might still be waiting around at Ft. Mason, biting my nails, were it not for the prompt and efficient intervention of the Hon. Mr. Engle, on my behalf.

Congressman Engle has thereby earned my sincere appreciation and deserved confidence.

Very truly yours,
Sidney Kase, M.D.

Variety Of Jobs Now Available, State Says

Employment opportunities in a wide variety of jobs are available to qualified persons, the state personnel board announced today. All are civil service positions for which examinations will be given during April.

The board listed the following job openings, together with salary ranges and final dates for filing examinations:

Forestry equipment operator, $325-395 or $358-436, March 15; systematic entomologist II, $395-481, March 23; field worker for the blind, $325-$395, March 23; medical technical assistant, $325-$395, March 23, and attorney, division of labor law enforcement, $644-$782, March 30.

Information and application forms may be obtained at the state personnel board in Sacramento, San Francisco and Los Angeles, and any office of the department of employment.

Tahoe-Truckee School District News

TAHOE LAKE SCHOOL

KINDERGARTEN AND FIRST GRADE: Tahoe Lake First graders really worked this week to create perfect work papers. The impressive scores lined up as follows: Rosemary Wray, 7 stars, John Carnell, 6 stars. Marty Spitsen, Jimmy Bechdolt, Dick Pomin, Chris Beavers and Armen Abrahamian each had five stars.

SECOND, THIRD, AND FOURTH GRADES: Conservation week was observed by the second, third and fourth grades in a lengthy class discussion, terminating in a related art period which produced a number of good drawings on both the forests and park areas.

DONNER TRAIL

Both groups of children are learning how to dance in Miss Idoni's room. She is teaching the boys and girls how to keep time to the waltz steps.

In our upper grade social studies we are making a very thorough study of California. On Friday we had a test on general knowledge of early California. With the help of Standard Oil road maps we are also learning where everyplace is in the state.

With our new thermometers we are learning how to compute Centigrade to Fahrenheit. We are still keeping our weather chart.

Miss Judy Doolin transferred to Dutch Flat yesterday. We all wish her well.

KINGS BEACH

KINDERGARTEN AND FIRST GRADE: On Friday we enjoyed a birthday party for Carl Christensen and Janice Wing. It was Carl's seventh birthday and Janice's sixth. Prizes were won by Dyanne Lausche and Scott Campbell. Dorothy Hill and Margaret Christiansen served coke, ice cream and punch.

Wendy Howell brought a bouquet of daffodils. Mrs. Butterfield taught the class a poem about daffodils.

We have been discussing Conservation during the week. We saw several movies on Conservation, and the first graders made posters.

SECOND AND THIRD GRADES: For Conservation Week, we saw several excellent films. They were Forest Ranger, Five Colorful Birds and A Tree Grows for Christmas. On Wednesday, we drew posters. On Thursday, Nelson Stone and Erving Single spoke to us on fish conservation. We concluded our study by writing a class poem titled, Conservation.

Phil Thompson and Estelle Howell each brought a lovely bouquet of daffodils for us to enjoy. First sign that spring is nearly here.

David Mills completed his airplane. David said, "this type of airplane transports men and food to the Navy."

Ronnie Baker spent the week visiting friends at Palm Sprnigs. gave oral book reports on books

Letta Laborde and Raymond Hill they have read.

FOURTH, FIFTH, AND SIXTH GRADES: The poster contest on conservation of our natural resources came to a close this week. Winners in the semi-final were: Janet Mallory, Greg Thompkins from the fourth grade. Paul Franklin, Linda Critchley and Carolyn Olinghouse from the fifth grade. David Decker, Robert Howell, Bud Robertson and Kathie Graton of the sixth grade.

Tumbling was started this week as a part of the physical education program.

TRUCKEE ELEMENTARY

KINDERGARTEN: Henry Frates, Ken Bretthauer, Michael Borden, Dickie Daniels and Wilbur Glenn have been working on an "airport" for our look table. They used crayon to mark the runways of the lawn around the building.

FIRST GRADE: The winners in the first grade Conservation poster contest were: Lennie Vind, Linda Carter, Kathy Braasch and Bill Waters.

Those doing very well in our preparation for spelling are: Donny Whitneck, Susanne Olano, Russell Glenn, Sandra Miller and Nicky Kenyon.

SECOND GRADE: We held two spelling matches. In the first one Joanne Costa and John Sturcke chose teams. The last four standing were Joanne Costa and Charles Hintz on one side, and John Sturcke and Dennis Stevens on the other. In the final "spelldown" Dennis Stevens was the winner.

In the second match Kevin Larrivee and Karen Walker chose teams. The last one standing on each team was Karen Walker on one side and Sandra Carter on the other. In the final "spelldown" Sandra Carter was the winner.

THIRD GRADE: Syllablification prefixes, suffixes, accents and a general review spelling skills are being emphasized.

Those students making a perfect score in spelling this week were: Danny Garcia, Gregory York, Mike Ingalls, Skippy Peterson, Sheila Larrivee, Tony Kenyon, Judy McGwinn, Marcia Leamon and Kenneth Taylor.

Many pupils are still out with the flu. We hope they will soon be back with us.

FOURTH GRADE: The fourth had a three week review spelling test last week. Those who made 100 or missed one were: Leilani Braasch, Arlene Novak, Bonnie Fair, Dianne Cardinal. Sue Hallett, Jim Randall, Richard Sorani and Karey Kielhofer.

FIFTH GRADE: We are always thinking of correct spelling pronunciation and correct reading in our class.

SIXTH GRADE: Francie McGwinn, Charles Glenn, Dorette Rose, Dana Hamilton, Olivia Montano, Wade Hensley, Julia Fuentes and Jimmy Osburn earned perfect scores in final spelling tests last week.

Correct spelling played an important part in making our conservation posters. Those from our class who had their posters selected for the contest, co-sponsored by the district and the P.T.A.'s were: Dee Frates, Dana Hamilton, Gene Miller, Jimmy Osburn and Terry Walker.

IT'S OFFICIAL — Governor and Mrs. Goodwin J. Knight give their backing to the 1956 Easter Seal campaign to raise funds for aid to crippled children. Receiving the good word of the First Family's support is Kenneth (Chris) Ketner, 7, of Los Angeles, California's 1956 Easter Seal boy.

Donner Lake Opening Is Set For March 31st

At their meeting in Los Angeles on February 24, the state fish and game commission set March 31 as opening date for fishing in Donner Lake.

This had been requested by the Reno and both hi thm arf odwiily pointed out that the kokanee in the lake go to the bottom when warm weather arrives and are catchable only during the early part of the season.

At the same time the commission set the regular trout season for this district from May 19 to October 31. They left the bag limit at 15 fish instead of lowering it to 10 as had been contemplated. The production of catchable trout will be held to the same level as in 1955.

The bag limit at Lake Tahoe, open the year around, will remain the same, Topaz Lake will have a special opening on April 1.

EDUCATOR SPEAKS AT ROTARY MEET

KINGS BEACH— Bill Randall presided at the Monday meeting of the Brockway Rotary Club held in the Crystal Bay Club when Garold Holstine, dean of education at the University of Nevada, was the guest speaker. M. H. Dodd program chairman introduced the visitor who stressed the importance of parents and older people in general setting the proper example for the younger generation.

Steve Korich and Clay Siltz of the Tahoe City club and T. A. Loyh of Nevada City were visitors of the session. Dodd reported on the activities in the place of E. J. Stokes who is enjoying a vacation.

TAHOE CLUB NAMES OFFICERS FOR TERM

TAHOE CITY— The Tahoe City Rotary Club met for their dinner-meeting as usual at Tahoe Inn on March 6 with president Steve Korich presiding over the gathering of 25 members and three guests. The visitors were John Edge and Allen Lewis of this city, and Father R. Brennan of Truckee.

During the short business meeting the Rotary passed a resolution, which is to be sent to the state senate and assembly members, endorsing hte proposition that California apropriate 4 million dollars for the staging of the 1960 Olympic Games in Squaw Valley.

Basil Kehoe, the club's program chairman, showed two motion pictures during the evening. The first of these was a travelogue of Las Vegas and the Hoover Dam area, and the second was a three-reel picture titled "When I Grow Up". This film portrayed various advice and suggested a lesson to parents as to the best and safest way to bring up children.

Prior to the program election was held of Rotary officers for the ensuing term.

Elected were: president, Steve Korich, vice president, Warren Porter; Secretary, Harold Farr; and treasurer, Harry Johanson. Korich had been formerly appointed to finish out the presidential term of Vernon Bartell who was transfered in his work from this city to Reno. Porter moved up at this election from secretary to vice president, and Johanson succeeded C. W. Vernon who has formerly served two full terms as treasurer.

John W. Geary, San Francisco's first postmaster, gave the city the land that was later named Union Square.

CERTIFICATE OF INDIVIDUAL TRANSACTING BUSINESS UNDER FICTITIOUS NAME

I, the undersigned, hereby certify that I am, and for some time past have been, transacting business as a sole proprietor under the fictitious name and style of SIERRA FREIGHT LINE; that my principal place of business is located in the Town of Downieville, in the County of Sierra, State of California; that my name in full and place of residence are as follows: E. J. FOURNIER, Downieville, California.

IN WITNESS WHEREOF, I have hereunto set my hand this 6th day of March, 1956.

E. J. Fournier

STATE OF CALIFORNIA, County of Nevada ss.

On this 6th day of March, in the year one thousand nine hundred and fifty-six, before me, Mary M. Corbell, a Notary Public in and for the County of Nevada, State of California, residing therein, duly commissioned and sworn, personally appeared E. J. FOURNIER, known to me to be the person whose name is subscribed to the within instrument, and acknowledged to me that he executed the same.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my official seal in the County of Nevada the day and year in this certificate first above written.

Mary M. Corbell
Notary Public in and for the County of Nevada, State of California.

STRICTLY STRICKLAND

By Bill Strickland

Sorry we missed keeping you posted on the outcome of the Junior Nationals, but we arrived home one day too late to meet the deadline.

One thing we do know for sure. From the standpoint of snow and ski conditions, we are blessed with the very best right here on our own mountain top. New Hampshires' Cannon Mt. is a real challenge to anyone under good conditions, but, under adverse conditions, it's a terror. Conditions during the downhill and slalom could not have been any tougher. A clear and cold (20 below zero) day for the slalom. The skiing surface- glare ice 2 inches thick, with the course set on a slope that averaged 38 degrees- if you lost your edges, you were lucky to stop within a 100 foot vertical skid. Eight runners made it all the way and consequently placed in the first ten. Jimmy Heuga was one of them and believe you me that young man earned it. The downhill the following day was held during a blizzard with a cross wind of about 40 miles per hour. The snow as a consequence didn't stick but certainly drifted. Have you ever raced on ice with practically no visibility and then without warning slammed through a two foot high drift and then back onto ice again? Had you run Cannon Mt. it would have happened to you, and no foolin!

Ole Quiberg had the 4th fastest time of the day. Ronnie Rau was the next fastest of the Far West contingent with a 19th, while Jimmy Heuga was third fastest from the west and in a three way tie for 24th. We were interested in the times more than in the placement. A fraction over 10 seconds separated the winner from Jimmy's 24th place tie. That's really jamming them together. Anyway, it was a terrific meet and a lot of experience was gained by all the competitors and, like the Brooklyn Dodgers used to say, "Just Wait Till Next Year!"

In the Silver Ski Race just finished at Edelweiss the top performers maintained their seeded places just about as expected. Ole Quiberg of Edelweiss was 1st in Junior One- 93.3. Leonard Hadlock, Nevada's top junior, who incidentally will ski under the Donner Summit American Legion banner next year, was second- 94.3.

Class Two Boys- 1st Dennis Hogan, Donner Summit American Legion, 96.8; Dave Wakeman, 2nd, Edelweiss, 103.1.

Class Three Boys- Tommy Reich, 1st, Donner Summit American Legion.

Class One Girls- Laurie Wakeman Edelweiss, 96.9.

Class Two Girls- Pat Nast, Sugar Bowl, 107.4.

Class Three Girls- Starr Walton, California Kandahar.

Ronnie Rau missed this race because of a very badly infected tooth, but he'll be ready to go again very shortly.

Two girls and seven boys qualified for the race of Champions, 10 per cent of the winning time added as a qualifier. Starr won this one in 155.1. 70 gates on this course and a tough one. Hadlock, 2nd, 155.4; Gaynor, 3rd, 200.8; Quiberg, 4th, 202.4; Hogan, 5th 203.7; Salmons, 6th, 209.3; Wakeman, 7th, 211.1.

DREAM CARS AT MOTORAMA — Features of the General Motors Motorama of 1956, admission-free show open to the public March 24-April 1 in San Francisco's Civic Auditorium, include a new crop of experimental "dream cars" with styling and engineering innovations. Shown above are the Buick Centurion (left) and Chevrolet's Impala. The giant show also includes movie-stage entertainment, a new Kitchen of Tomorrow, engineering and research exhibits, women's fashions and other attractions.

FALLON PASTOR TO SPEAK AT CHURCH

KINGS BEACH— The Rev. Joe Pritchard of Fallon, will speak Sunday night at the Kings Beach Methodist Church, in the third of "Four Nights for God" being conducted during this month at the lake church. His topic will be, "The Miracle That Can Happen to You." Organ vespers will begin at 7 p.m , followed by the song service at 7:30, includng special music by the choir.

Last Sunday night the Rev. Fred Rinehart of Carson City spoke on "The Outreach of The Cross". Next Sunday Morning at eleven the pastor, A. B. Covher will speak on "The Results of Christian Experience" and will discuss christian conduct in particular. The public is cordially invited to attend these services.

Increase In Reveune In State Shown By Report

SACRAMENTO (CNS)— Robert C. Kirkwood, state controller, reported that California counties took in $815,284,260 and paid out $810,-170,995 during the fiscal year 1954-55.

Kirkwood said the figures represented an increase of six per cent in revenues and an increase of five per cent in expenditures compared with the preceding year.

The controller stated that all but six of the California's 58 counties showed increases in revenue.

Assessed valuations in the counties increased 10 per cent during the fiscal year, from $18.2 billion to $20 billion.

Kirkwood said $645 million of the increased valuation resulted from recent equalization orders issued by the state board of equalization.

San Francisco's "Marina Green" datse from th e1915 Panama Pacific International Exposition.

April 9 Set As Date For Manslaughter Trial; Widow Seeks Damages

NEVADA CITY— A petition for a writ of habeas corpus in behalf of Daniel Martin of Auburn, Placer County, charged with felonious manslaughter, has been overruled by Superior Judge James Snell and April 9th has been set as the date for Martin's trial.

Martin is accused of driving the car in which a hitchhiker was killed near Donner Summit. The case was dismissed last August when Judge Snell ruled the evidence against him was insufficient. District Attorney Vernon Stoll obtained a reversal in the appellate court.

In the meantime, Mrs. Bernice Monahan of Penryn has filed a $60,000 damage action against Daniel Martin and his brother, Melvin as the result of the death of her husband, Andrew, the hitchhiker, killed when the Martin car was wrecked near Cisco last May.

By JUDGE HARRY CHARRISON

Fire

Sure it will be a great night this coming Saturday when the Tahoe City Firemen put the finishing touch to the seventeenth of Auld Ireland. We know they will have the time of their lives, and will finish the celebration in a blaze of glory, you know by now where it is, no? Well, it is to be held at the Tahoe Inn in Tahoe City. Shall we see you there at eight o'clock?

Phone Office

The sign of the times, it surely is, when Tahoe City becomes the headquarters of the Pacific Telephone & Telegraph. Tahoe is right proud of the fact, now we need a bank, not just for 3 or 4 months but the whole year round. I wonder which one will finally take on this venture. One thing sure it will have to come to it very soon. Why not now?

Law Abiding?

A ltle more cooperation by our citizens like we had during the past weekend, would be welcome to the peace officers of this community. This column commends Curly Mason, Bake Frye, Tom Lucas, Ned Malls, Billy Martin, and others for their assistance. I, especially find that a lot of trouble could be eliminated if people would sign complaints against the trouble makers. People come to court with complaints and at the last minute refuse to sign. It often means that maybe a couple of constables, a deputy sheriff and the judge lose half a night's sleep rounding someone up only to find that the plaintiff gets "chicken" and won't go through with the complaint. I urge you to do your duty as a citizen that talks about wanting a law abiding community. Put your wishes into action.

Scout-O-Rama

If you have never seen a Scout-O-Rama, don't miss the one that the Tahoe Area Council Boy Scouts of America have planned for March 23rd and 24th in the Placer County Fair Building at Roseville. Tickets are to be had from any Scout in the area.

Show

Walt Disney's Treasure Island, is the picture that will be shown at the Kngs Beach Elementary School on Sunday starting at 1:15 P.M. Florine Klitzke, president of the P.T.A. invites you to attend, bring your children. The price is reasonable.

There will be a dance for young people in the Carpenters Hall on Saturday night, 8 to 11:30. All are welcome.

Bright & Sunny

We are getting well into March and we can already feel the change from the long wintery days, and we shall soon give old man winter the boot. There will still be a lot of water as the lake has risen to normal and has climbed up the baech about 80 feet, which assures the boating enthusiasts lots of water to float their boats up to the piers. Last year the water was so low that it really put a crimp in the business of the important fishing and boating industry. Came in from Reno yesterday and was surprised at the Truckee river rushing along all the way along highway 40, but it was very pretty to look at.

Hospitalized

Sorry to see Mrs. Carl Bechdolt, Sr., in the Truckee Hospital. Had a very nice visit with her and found her in the best of spirits. Laying there all smiles with a bowry of flowers from well wishers.

Contest

I can tell you, if you want to learn something worthwhile, just listen to some of those student speakers that speak at the Lions Clubs through the state. They are really interesting and are always well thought subjects. The contest held by the Lake Tahoe Lions Club at the Tahoe Biltmore Hotel last week, the speakers did a swell job. Scott Gilmore, Nikkie Ann Wing and Jude Cammogere were the speakers, the latter being judged the winner. It was one of the hardest contests to judge, as they were all excellent.

Scouts

With the additional registration of seven more young men to Troop 31, Boy Scouts of America, the register now stands at twenty. The newly registered Scouts are Paul H. Mason, Richard S. Parr, Kenneth J. Bailey, Bobby D. Howell, David L. Decker, Paul B. Franklin, John J. Bervid. New members are expected momentarily. As you know troop 31, sponsored by the Lake Tahoe Archers, Inc., meets every Thursday evening at 7 P.M. at the North Tahoe Gun Club at Tahoe Vista. All young men from the ages 11 or older are invited to attend and the fun of their lives is assured. Come and try it out then you will want to join.

Betrothal

Two very popular young people, ex-Tahoe Truckee High School students are contemplating a wedding in June— the 17th to be exact. Jeanie Rood announced her engagement to Jimmie Dickow. Both are well known in Kings Beach, having lived here for a good many years. It is said that the wedding will take place in Woodside. Jeanie is the daughter of Mr. and Mrs. Laurence Rood and Jimmie is the son of Mr. and Mrs. J. Dickow, formerly of Kings Beach.

Building

Work is really going on in earnest at the Ray and Mike property in Kings Beach. They are building some nice apartments in the rear of the old Shell Station and an up to date station will be built on the front. It is at corner of Highway 28 and Bear Street.

Fishy But True

Any fish being caught, did you say? Well, here's a couple of guys that can answer that, they seem to have the bestest luck. A few days ago, fishing from the rocks, Ned Malla and Gorden Bitler caught four dandies, an average of five pounds apiece, two mackinaws, one German brown, and one rainbow. They were beauties and tasty, too. We know because we helped to eat one of the macks, their favorite place is just over the line in Nevada, at Crystal Bay, nice guys to know if you enjoy trout at their best.

Broken

Saw Norman King hopping around the neighborhood. He also has had an injured foot. It seems to be a habit with the young people around here. Fashionable said one victim. It really is too, and they seem to feel like heroes to trot around on crutches.

Just talking to Barbara Mallory, and she has just returned from Redding where an appendectomy was performed by Dr. T. D. Wyatt of Crystal Bay. Barbara tells me she is feeling wonderful, and will be ready in no time to do all the chores that may come her way this spring and summer. Good for you Barbara.

Nice Crowd

The weekends are still keeping up as far as visitors are concerned. Between four and five hundred were at Crystal Bay, and very nice people too. They say the trip was wonderful. Good roads all the way.

Per Capita consumption of California wines is 2.587 gallons in the District of Columbia; in California it is 1.989.

The lowest land in the Western Hemisphere, 282 feet below sea level is near Badwater in Death Valley National Monument.

The Philippine Republic ships copper, manganese and chrome ore to the United States.

Tahoe Items

The Ira Blairs of Kings Beach have moved from San Francisco to Cathedral City.

Mr. and Mrs. H. H. Hull, former Tahoeites who have been living in Fairfield, have returned to Sebastopol.

Mr. and Mrs. Laurence Rood of Menlo Park, former Lake Tahoe residents announced the engagement of their daughter, Miss Jinx Rodd to James Dickow, son of Mr. and Mrs. Edward Dickow of Vallejo.

The nuptial rites have been planned for June 17 in Our Lady of the Wayside Church at Woodside.

The bride-to-be graduated from the Tahoe Truckee Unified High School and is completing her second year at San Jose State College where she is studying for a special secondary degree in art.

Her fiance graduated from Vallejo Junior Collgee and is studying photography at San Jose State College.

20 YEARS AGO

From the files of the Sierra Sun & Truckee Republican

Mr. and Mrs. William Englehart were given a housewarming at their newly remodeled Church Street house when more than fifty friends, including the Lions Club membership met for a gala evening of dancing and games and buffet supper. The Engleharts received many gifts for their lovely home.

The County Hospital at Nevada City had $13,000. alloted by the government for an addition, the improvement being a W.P.A. project which cost $21.000.

G. E. Hofman, principal of the Meadow Lake Union High School led the school orchestra for the P.T.A. program and Miss Marion Lothrop's class presented a play.

Radford Kiefer of Meeks Bay designed and built the improved machinery used in the ice harvest which cut and stored 60 tons for summer use. This gas engine and elevator kept men hauling all day, eliminating a number of laborers.

Heslin and Ralph Cardinal with their father, spent Christmas of 1935 in Sacramento, living then at Hobart Mills.

Mrs. Elizabeth Bavier, publisher of the Sierra Sun, Timothy O'Hanrahan, Frank Titus and Blanche Gage had all made application for the position as Post Master at Truckee, according to word from Washington D.C.

Frank Gaiennie was elected chief of the Truckee Volunteer Fire Department with N. F. Dolley as assistant; Dr. C. C. Cozzalio, secretary, treasurer and Harry Baldwin, sergeant at arms. A Dutch feed concluded the meeting .

Moving picture companies from Los Angeles were making pictures using local scenes and people, for epics of the era and included a number of famous stars in the cast.

"DRIVING THROUGH THE YEARS"

The story of the Motor Car

BODY STYLES - YESTERDAY AND TODAY

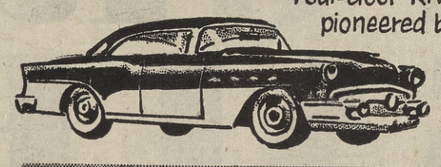
The origional cars were Imitations of buggies (A TYPICAL 1907 CAR)

BY 1911, carbodies were changing to fit mechanical needs but were far from beautiful

In the 1920's the closed body became popular, setting a new trend

Just before World War II cars were on the way to becoming beautiful

Today, beauty of line, comfort, safety, are features "built into" auto bodies as typified by the newest Four-door RIVIERA pioneered by BUICK



Johnson Speaker For State Chamber Meet

"A Review of Cortina, Italy, and a Preview of Squaw Valley" will be the topic of a talk to be given by State Senator Harold T. Johnson at a meeting of the Sacramento Regional Conference of the California State Chamber of Commerce in Sacramento March 16. Johnson, a supporter for the California games, recently returned from Cortina where he attended the 1956 Olympic Winter Games scheduled for Squaw Valley in 1960.

The highway committee of the state chamber will discuss the possibilities of a new road at Emerald Bay at the same meeting. Don Huff, president of the Lake Tahoe-Sierra Chamber of Commerce, will attend the latter session to urge state action on the lateral.

Suit Filed Against Lake Doctor Seeks $25,000

AUBURN— Tora Dasey has filed a $25,000 damage action in the superior court against Dr. Allen Sklar and a nurse identified as Audrey Doe.

The complaint states the physician prescribed a "vitamin shot" for the plaintiff in September, 1955, at Lake Tahoe and the nurse was careless and negligent in administering it, with the result an abscess was formed.

State Sells School Bonds To Bank America Firm

SACRAMENTO —(CNS)— The state of California has sold $30,000,000 in state school building aid bonds to a syndicate headed by the Bank of America at an interest rate of 2.338 per cent.

The bonds sold were the last of a $185,000,000 bond issue approved by the voters in 1952.

Proceeds from the sale will be used by the state to aid fast-growing school districts in financing new schools and additions.

Since the state aid program began in 1949, the state has sold $435 million in school bonds. An additional $100 million bond issue was aproved by the people in 1954. A $100 million bond issue will appear on the ballot next November.

Dean Holbrook Winner Of Free-Throw Tourney

Tahoe Truckee High School's annual basketball Free-Throw Tournament was won last week by Dean Holbrook as he made good on 80 out of 100 atempts in the final round of the tournament. This activity is a part of the intermural program at the school, and is open to every boy in grades 9 through 12.

Holbrook is a sophomore student at the school, lettering in varsity football and junior varsity basketball this year. It was also announced by the high school officials this week that they have decided to drop baseball from the curriculum this year due to the adverse weather and snow conditions prevalent in our area.

Because of lack of ample practice time and scheduling difficulties due to snow, it was decided that baseball would be replaced by limited track and field and tennis activitis in the spring.

It is hoped that baseball can be worked into a summer recreation program for all boys in this area, thereby assuring their participation in the sport under more suitable conditions.

CARD OF THANKS

We wish to thank all our friends and neighbors for their messages of sympathy and their kind acts, during our recent bereavement. Your kindness will never be forgotten.

Ruth F. Franzini
Mrs. W. M. Englehart

New Type Assessment Forms Are Received

Nevada County Assessment Forms have been mailed to all property holders in Nevada County and residents of the Truckee area will or have received their returns. This marks the first time that statements have been sent to all assessees and is intended to facilitate making the assessment return without a personal visit to the assessor's office either in Nevada City or during the annual visit to this vicinity in May, Assessor William Tamblyn said.

The form is complete and concise and if properly completed will enable the assessment to be completed with little difficulty. Space has been provided for necessary information regarding personal property of all types and additional space for information in event of a sale or purchase of property.

War veterans may make their application for exemption on the same form if exemption has been applied for in previous years. Veterans making their first application for exemption will have to appear in person to present the necessary papers to verify qualification for exemption. Either the veteran or his wife may appear and sign the affidavit. For the convenience of the Truckee area veterans the assessor will set up an office in Truckee during May at which time application for exemption may be made and questions answered also regarding the assessment.

All statements should be completed and signed as soon as possible and returned unless there is a question regarding the completion of the form. Veterans are reminded that filing dates for their exemption starts on the first Monday in March and runs through the last Monday in May. Welfare exemption claims must be made prior to the first of April. Church exemptions should be signed for also before the end of May.

Kenny Vaughn Chosen As Leading Scorer In High School Basketball

Figures released by the athletic department of the Tahoe Truckee High School this week named sophomore center Kenny Vaughn as the leading varsity scorer for the Wolverines during the recently completed basketball season.

Vaughn, a six-foot, two inch starter for Coach Con Briner's cagers, tallied 64 goals and 29 field goals in 16 games, averaging 9.8 points per games and hitting a fine 74 percent on free throw attempts.

Junior forward Doug Wilson pushed Vaughn for scoring honors, getting 156 points in 16 games, only one point off Vaughn's 157 point total. Wilson averaged 9.75 points per game.

Other varsity players scored as follows: Stan Rasmussen, 98 points for a 6.5 average; Floyd Cooper, 91 points for a 6.1 average; Martin Prescott, 84 points for a 5.6 average; Clayton Spining, 74 points for a 4.9 average; and Bob Trask, 50 points for a 3.1 average.

All of the above players earned their varsity blocks in basketball. The Wolverines, with an over-all record of 6 wins and 10 losses. finished in fifth place in the "A" Division of the Western Nevada conference, losing a close 47-53 decision to the Stewart Braves in the opening game of the Zone Tournament on February 28. Western Zone teams which qualified for the State Tournament to be held in Las Vegas on March 15, 16, and 17 included Sparks, the Zone champions, Yerington, Reno, Winnemucca and Carson City.

Scoring for Coach Jim Brehler's Junior Varsity team showed Sophomore Ken Osburn setting a hot pace for both squads as he totaled 192 points in 15 games, including 79 field goals and 34 free throws, for a 12.8 average per game. Other Cub scoring included Berger Nelson with a 6.7 avreage, Wes Ball with a 6.0 average, Doug Cooke with a 5.2 average, Tom Sheehan with a 4.5 average. Cecil Craddick with a 4.1 average and Dean Holbrook with a 0.8 average. All of the above named Cubs are winners of J.V. letter awards for the 1955-56 season. The Cubs had their finest season in history as they won 10 while losing only five.

Of the fourteen lettermen from the two squads this year, only three varsity players will graduate in the spring, including Rasmussen, Prescott, and Spining; while all seven of the Junior Varsity boys will return next year, thereby establishing a fine foundation for next years' varsity team.

Children's Races Set For Weekend On Summit

NORDEN— The Oakland Ski Club's childrens races will be held Saturday and Sunday at Sugar Bowl. The downhill will be in the meadow on Saturday and the slalom on the nose of Mt. Disney Sunday.

The Sugar Bowl's junior championships for children under 16 will be held March 31 and on April 1, the Walt Disney perpetual junior years of age and under will be held.

Community Methodist Church Notes

The Rev. Osman will speak to the meaning of "The Lords Supper" in his message on Sunday morning. With Easter just around the corner. Protestants are to be reminded of special services for Holy Week:

Maunday Thursday Candlelight Communion Service on Thursday, March 29th at 8 p.m.

Good Friday service to take place at noon on Friday March 30th.

There is a membership class to come into the church on Easter morning. Others desiring this please call the pastor to make previous arrangements.

The high school Methodist Youth Fellowship is having a special meeting on Monday evening at 7 p.m. Not only will a film be shown, but also there will be some important decisions made about the future of the MYF.

The Intermediate Fellowship will meet again on Sunday evening at 5 p.m.

Featured on the program of the Women's Society of Christian Service at their regular meeting Wednesday March 21st at 1:30 p.m., will be a film called, "The Rim of the Wheel". It is about a woman who comes to a better understanding of the role she as a christian should play in the Church and community. Mrs. Jack Ellis will lead the worship service. Following the program will be a business meeting after which refreshments will be served.

Ladies Auxilary At Lake Attend Sparks Conclave

CRYSTAL BAY— Members of the Ladies Auxiliary of V.F.W. Post 7077 attending the District 3 meeting held at Sparks were President Ethel Antonson, Peggy Rhodes, Vera Woods, Peggy Powell.

Joint installation of officers will be held at Ta-Neva-Ho on April 10 and the meeting is open to the public. Everyone is cordially invited to attend.

Mary Dunkley, past department president from Reno will be installing officer.

Delegates to the district meeting at Sparks took time out to deliver to the Veteran Hospital at Reno 200 hospital pads completed by the auxiliary, making a total of 375 such gifts. The auxiliary expressed appreciation to those who donated magazines and books to the collection for the hospital.

Mrs. Eugene Welch, president, will provide an interesting program at the meeting of the Wyethia Women's Club to be held Friday evening at 8 o'clock at the Methodist Community Church. Members and guests are urged to attend.

Plans Progressing For Scout-O-Rama Mar. 23

William A. Scott, Placer county sheriff and general chairman of the Scout-O-Rama, a major cub, scout and explorer display and demonstration scheduled at the Placer County fairgrounds for March 23rd and 24th, stated today that plans are progressing for a complete exposition of scouting activities.

Sixty Units from all over the Tahoe Council will establish booths in the main exhibit building at the fairgrounds. Scott stated that nearly all phases of Scout work can be seen by a close inspection of the booths.

Designed to familiarize the public with Scout work through Explorer age, the Scout-O-Rama will also offer several stage show programs and ceremonies. The doors will open at 7 P.M. on Friday, the 23rd, and the action will continue until 9 P.M. On Saturday, the 24th, the show will open at 3 P.M. and continue until 9 P.M.

Mr. and Mrs. Henry Strelow are at their place at Donner Lake following several months spent in Inglewood.

Tarzan

by EDGAR RICE BURROUGHS®

TARZAN BID FAREWELL TO THE MIDIANS AFTER RECEIVING APPRECIATIVE THANKS FOR HIS PART IN THE DEFEAT OF THEIR ENEMY.

THE APE-MAN TOOK LEAVE FROM HIS FRIENDS AND TRAVELED LEISURELY THROUGH HIS WILD AND SAVAGE JUNGLE.

...MEANWHILE, ON A WIDE, STRETCHING PLAIN THAT BORDERED THIS JUNGLE, A HERD OF ELEPHANTS SEEMED TO GRAZE CONTENTEDLY.

IT WAS GOVERNED BY AN OLD AND WIZENED MONARCH, THE KING BY VIRTUE OF HIS SUPERIOR STRENGTH.

ALL WAS NOT PEACEFUL, HOWEVER, FOR A BOLD YOUNG BULL SNORTED ANGRILY AND PAWED THE DRY EARTH...

DICK VANBUREN
JOHN CELARDO

THEN, TRUMPETING SHRILLY, EARS COCKED, HE LUMBERED FORWARD TO CHALLENGE THE LEADER'S SUPREMACY!

Copr. 1956, Edgar Rice Burroughs, Inc.—Tm. Reg. U. S. Pat Off.

Abbie an' Slats

by RAEBURN VAN BUREN

THE TWO PHONY SHMAGEGI INDIANS HAVE JUST COMPLETED **THEIR** END OF THE ANCIENT CEREMONY, "THE EXCHANGING OF GIFTS"...

YOU FIGGER, EUGENE, THAT THEY'LL GET SUSPICIOUS OF WHY WE'RE IN THE BANK SUCH A LONG TIME?

THIS AIN'T NO (CHUCKLE) ORDINARY EVERYDAY POWWOW WE'RE HOLDIN', RUDOLPH—BESIDES WHICH IT AIN'T CONSIDERED GOOD MANNERS TO INTERRUPT YOUR RED BROTHERS.

WHAT (CHOKE) IS THE MEANING OF THIS?

YOU'LL FIND OUT SOON ENOUGH, RED BROTHERS...

...AS SOON AS YOU HAND OVER THE SWAG! BUT THIS IS UNAMERICAN! AND IT AIN'T NO WAY T'TREAT YER RED BROTHERS!

THAT'S WHAT **YOU** THINK, PALS. IF YA READ YER HISTORY O'CRABTREE CORNERS YA'D HAVE FOUND OUT THAT WHEN THE SHMAGEGIS ROB THE TILL...

...THEY GETS **HIJACKED** BY **HONEST JOHN GROGGINS**, MY GREAT-GREAT-GREAT-GRANDPAPPY--IT SAYS SO RIGHT HERE IN BLACK AND WHITE!

THAT'S THE **TROUBLE** WITH ANCESTORS. YOU CAN'T (SOB) **TRUST** 'EM!!

LIKE GREAT-GREAT-GREAT-GRANDFATHER LIKE SON, GROGGINS. THE TOWN O' CRABTREE CORNERS IS EVER-LASTINGLY GRATEFUL TO YOU FOR FOILING THIS DASTARDLY HOLDUP!

WHAT I FORGETS TO TELL YOU, MR. MAYOR, IS THAT THE TOWN PITCHES IN AND BUYS MY ANCESTOR A LIFETIME SUPPLY O'MOLASSES AN' SPIRITS--WE GOT A DIFFERENT NAME (SMACK) FOR IT TODAY--BUT IT STILL **TASTES** THE SAME!!

Fritzi Ritz

By ERNIE BUSHMILLER

I WONDER HOW THINGS ARE AT HOME

I ENJOY THIS SOUTHERN VACATION, BUT I DO MISS PHIL A LOT

I'D RATHER NOT LIVE IF FRITZI STAYS AWAY MUCH LONGER!

THIS IS TRAVEL WEEK -MAKE A SURPRISE VISIT!

THIS IS TRAVEL WEEK -MAKE A SURPRISE VISIT!

I'LL TAKE THE FIRST TRAIN NORTH

THIS IS SURELY FATE DRAWING ME TO HER- I'M HEADING SOUTH!

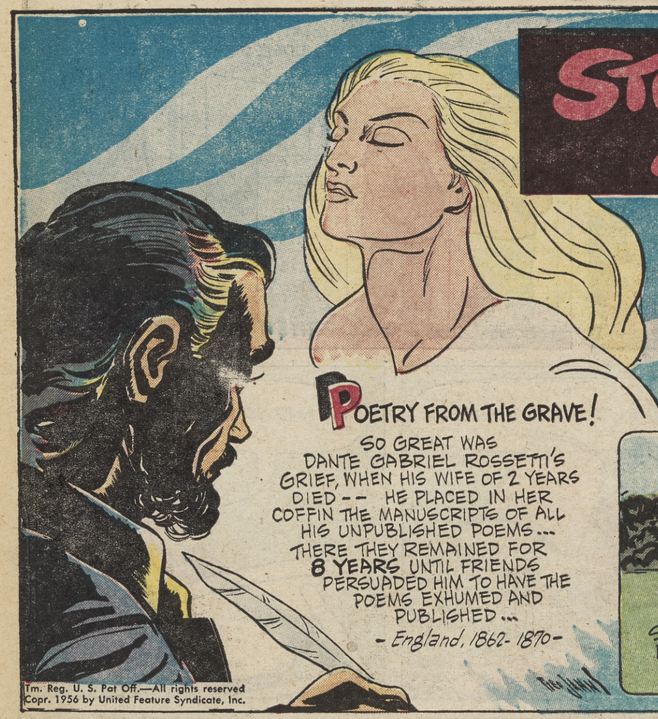
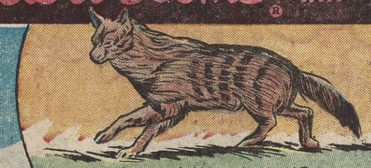
STRANGE as it seems

ELSIE HIX





THE AARDWOLF -- A MEMBER OF THE HYENA FAMILY -- HAS SUCH WEAK JAWS IT LIVES ON TERMITES AND OTHER INSECTS ...

POETRY FROM THE GRAVE!

SO GREAT WAS DANTE GABRIEL ROSSETTI'S GRIEF, WHEN HIS WIFE OF 2 YEARS DIED -- HE PLACED IN HER COFFIN THE MANUSCRIPTS OF ALL HIS UNPUBLISHED POEMS ... THERE THEY REMAINED FOR **8 YEARS** UNTIL FRIENDS PERSUADED HIM TO HAVE THE POEMS EXHUMED AND PUBLISHED ...

- England, 1862- 1870 -

BLACK LIGHTNING -- A STRANGE PHENOMENON OF NATURE -- SOMETIMES APPEARS ON PHOTOGRAPHIC PLATES BUT ***CANNOT*** BE SEEN BY THE NAKED EYE!
